3.3 Financial Inclusion Plan:

A. Opening of Banking Outlets in Unbanked Rural Centers

RBI vide letter No. FIDD.CO.LBS.BC.No3712/02.01.001/2017-18 dated 05th June, 2018, advised SLBC Convenor Banks to table the updated list of Unbanked Rural Centers in all SLBC meetings while reviewing the progress of providing Banking services in Unbanked Rural Centers.

Moreover, as per directives of RBI, villages without Banking Outlet having population 5000-9999 (i.e. Tier 5 centers) have been given separately on the SLBC website and the district wise gap in opening of “Banking-outlet” in identified villages having population 5000-9999 is given @ **Annexure-E.**

By the quarter ended December 2019, in total identified 402 **Tier 5 centers**, Banking Outlets have been found present in **243** centers and in **159** centers Banking Outlets are yet to be opened.

Therefore, Banks are requested to expedite opening of Banking Outlets in URCs which would also help them to comply with RBI’s criteria of opening of at least 25% of total Banking Outlets in URCs, as per the circular of Dept. of Banking Regulation, RBI dated 18th May 2017.

As regards to opening of Banking Outlet in the Tier IV centers (having Population 10000 -19999), all Unbanked Rural Centers have been covered with Banking Outlet either through Brick & Mortar or BC model and there doesn’t exist any URC pending with opening of Banking Outlet in Tier IV centers.

B. Classification of Model of Banking Correspondent as Banking Outlet

As per the Rationalization of Branch Authorization policy of RBI issued vide circular no. DBR.No.BAPD.BC.69/22.01.001/2016-17 dated 18th May 2017; if the existing Banking Correspondent (BC) model of various Banks satisfies following stipulations then the BC model currently being employed by Banks could be classified as Banking Outlet (BO):

- a. Fixed point service unit carrying uniform signage with name of the bank and authorization from it including contact details of the controlling authorities.
- b. Should be manned by either bank's staff or its Business Correspondent (BC).
- c. Should provide services of acceptance of deposits and cash withdrawal for a minimum of 4 hours per day for at least five days a week (The working hours / days need to be displayed prominently).
- d. Should have complaint escalation mechanism.
- e. Besides above points the bank should have a regular off-site and on-site monitoring.

In addition to above mandatory conditions, the BO may also extend facilities like encashment of cheques and lending of money.

SLBC has been following up with various Banks to confirm whether the existing BC model, currently being employed by various Banks qualifies to be classified as BO. So far, State Bank of India, Bank of Baroda, Bank of India, Central Bank of India, Union Bank of India, Indian Overseas Bank, Baroda Gujarat Gramin Bank, Saurashtra Gramin Bank, HDFC Bank and Jana Small Finance Bank have classified their existing BC model as BO. Remaining Banks are requested to apprise the SLBC whether their existing BC model qualifies to be classified as BO, as classifying BC model as BO would go a long way in assisting covering the Unbanked Rural Areas (URCs) of the State.

As regards to classification of Customer Service Points (CSPs) being deployed by India Post Payment Bank (IPPB) as Banking Outlet (BO), SLBC on request of RBI, called for details about type of CSP model being deployed IPPB. Subsequent queries raised by RBI has also been addressed by IPPB for classifying their CSPs as BO as per extant guidelines of RBI. As the Banking model of IPPB's CPS, fulfills all stipulations set by the RBI for its classification as BO, it is proposed to classify the CSPs being deployed by IPPB as BO.

C. Deployment of additional BCs in locations not having Banking facility within 5 Kms:

The Dept. of Financial Services (DFS), Ministry of Finance, Govt. of India had earlier identified 743 villages of the State where Banking facilities were not available within vicinity of 5 kms and all of these locations have been covered with the Banking Outlet (either Bank Branch or Bank Mitra).

The DFS, MoF, Gol vide its letter dated 22nd July 2019 further identified 216 villages of the State where Banking facility is not available within vicinity of 5 kms. In these 216 villages, 5 villages of Junagadh districts were found to be under dense forest area and had no local inhabitant residing in these villages. Accordingly, the certificate duly attested by Collector & District Magistrate, Junagadh was obtained regarding no inhabitation in these villages, whereas rest of 211 villages have been covered with Banking facilities through Banking Outlet (either Bank Branch or Bank Mitra).

The DFS further vide its Ref. No. 08.04.2014-FI dated 18th October 2019 identified 175 villages of Gujarat State where Banking Outlet is not available within vicinity of 5 kms. SLBC allotted these villages amongst Banks and all the 175 villages have been covered with Banking Touch Points.

Very recently the DFS vide its letter dated 10th December 2019 has also advised District Collectors to independently assess the requirement of Banking Touch Point in villages not covered having Banking facility within vicinity of 5 kms. The DFS also advised that the proposal, to cover such village within vicinity of 5 kms shall be put up in the District Consultative Committee (DCC) / District Level Review Committee (DLRC) forwarded to SLBC under intimation to DFS. Hence, Lead District Managers (LDMs) with a support of District Collectors are advised to ensure that all the villages in their district are covered within vicinity of 5 kms and procedure for covering the uncovered village, if any, shall be carried out as instructed by the DFS.

While ensuring availability of Banking Touch Points in the allotted villages, it has also been advised by the DFS to map the Geo Coordinates (Latitude & Longitude) of Banking Touch Points on the Jan Dhan Darshak Application, as in the absence of non-mapping of Geo Coordinates on the Jan Dhan Darshak Application, the said village despite having availability of Banking Touch Point would be treated as Uncovered.

D. Performance of Aspirational Districts under Key Financial Inclusion parameters

After successfully completion of saturating 758 villages of two aspirational districts i.e. Dahod and Narmada under Extended Gram Swaraj Abhiyan (EGSA), focus has now been shifted to improve the other financial inclusion parameters in these districts to bring them at par with other districts.

5	No. of A/cs under PMJDY opened	777633	820303	895533	227004	237196	247102
6	% Aadhaar seeded A/cs	80.18%	81.56%	83.28%	78.75%	79.94%	81.49%
7	% increase in Agri. Finance over previous qtr.	8.62%	4.83%	4.86%	11.04%	(-)1.75%	(-)4.22%

Agriculture itself contributes 15% to nation's GDP and even today 50% of nation's workforce is engaged in the Agriculture & Allied Activities. 4.7 Fixation of Crop Season / Period by SLBC for IRAC Norms of Agriculture advance:

RBI has issued the following guidelines on this issue vide Master No. DBR.No.BP.BC.2/21.04.048/2015-16 dated 01.07.2015.

A loan granted for short duration crops will be treated as NPA, if the instalment of principal or interest thereon remains overdue for two crop seasons. A loan granted for long duration crops will be treated as NPA, if the instalment of principal or interest thereon remains overdue for one crop season. For the purpose of these guidelines, "long duration" crops would be crops with crop season longer than one year and crops, which are not "long duration" crops would be treated as "short duration" crops. The crop season for each crop, which means the period up to harvesting of the crops raised, would be as determined by the State Level Bankers' Committee in each State.

As per RBI circular, the crop season (the period up to harvesting of the crops raised) would be determined by State Level Bankers' Committee of each State. This means, SLBC to decide date of sowing, anticipated harvesting and marketing of crop produce etc. for each crop in the State.

Major crops grown in the State are classified on the basis of duration as under.

Short Duration Crops: All cereals, oil seeds, cotton, vegetables, spices and pulses may be treated as short duration crops.

Long Duration Crops: Sugarcane, Banana, Papaya and all other plantation and horticultural crops may be treated as long duration crops.

The agenda of fixation of crop season / period was put up in Sub-Committee of SLBC on Agriculture in its meeting held on 26.02.2020. The Sub-Committee discussed the agenda at length and unanimously resolved as under and recommended SLBC for its approval.

- **All short duration crops to have a crop season of 12 months and all long duration crops to have a crop season of 18 months which includes time period required for harvesting and marketing.** This will also provide the farmers adequate and sufficient time to realize their sale proceeds which in turn facilitates repayment / turn over in their crop loan accounts and renewal of the limits.

Accordingly,

- For Short duration crops, the account will be treated as NPA, if the installment of principal or interest thereon remains overdue for two crop seasons, i.e. account turns to NPA after 36 months from the date of sanction/disbursement (Crop period 12 months plus two crop seasons each of 12 months).
- For Long duration crops, the account will be treated as NPA, if the installment of principal or interest thereon remains overdue for one crop seasons, i.e. account turns to NPA after 36 months from the date of sanction/disbursement (Crop period 18 months plus one crop season of 18 months).

Online EDP training programme under PMEGP.

The KVIC, State Office, Ahmedabad has informed that EDP training is mandatory for releasing of loan and claiming the margin money subsidy by Banks on pmegeportal. At present, EDP is conducted through designated training centers of RSETI/RUDSETI and KVIC/KVIB/DIC/State/Central Govt. training centers. More often EDP creates bottlenecks for releasing the loan amount and claiming the subsidy by financing Banks. In order to address the above issue, KVIC has designed and developed an EDP online training portal / mobile app and made it live w.e.f. 22.10.2019. the online EDP portal can be accessed either through PMEGP e-portal (www.kviconline.gov.in/pmegp) or through KVIC website (www.kvic.org.in). The portal can also be accessed through url : www.kvic.udyami.org.in. The online EDP training also made available through mobile app which can be downloaded from the play store by searching "udyami".

Charging nominal fee from beneficiary under PMEGP.

The KVIC, State Office, Ahmedabad has informed that KVIC will charge a nominal fee of Rs. 500 from those PMEGP applicants whose loan has been sanctioned. The amount of Rs. 500 will be deducted while releasing the margin money subsidy in respect of beneficiary to financing institution. Necessary arrangement would also be made by KVIC on PMEGP e-portal, so that the details of such payment deducted shall be captured and show on PMEGP e-portal to maintain transparency.

Banks are requested to take a note of the above modifications in the scheme and inform the branches accordingly.
